ZAGNY CELEBRATES JAMSHEDI NAVROZE

March 21st marks the celebration of Jamshedi Navroze. This day bridges the old year to the new year with the advent of spring. The resurgence of life takes place during this period with the symbolic victory of the forces of light over darkness.

Legend has it that the Jamshedi Navroze celebration dates back to the times of the legendary King of Persia, Jamshed. It is said that King Jamshed introduced solar calculations into the Persian calendar, and therefore set as the beginning of the year the date the sun enters the constellation of Aries. Also, legend has it that on this day King Jamshed forced the demons to carry him

on their shoulders from Mount Demavand to Babylon. This day came to be known as Navroze or Jamshedi Navroze day.

In ancient times, on Jamshedi Navroze, it was customary for the king to be weighed in gold and silver, and the money then distributed to the poor. People greeted each other by doing the Hama-zor (united in strength), and visited the Fire Temple.

Please join ZAGNY in the celebration of Jamshedi Navroze on Saturday, March 22, 2003. For additional details and to register, please turn to page 7.

The 10th Zoroastrian Youth Congress will be held in Toronto, Canada, from July 24-27, 2003. Anyone between the ages of 13 and 35 is encouraged to attend. Those who have attended previous Youth Congresses have found them to be a great way to learn about the religion and to interact in a vibrant social community.

The theme of this Youth Congress is NEXUS. There will be various social events and educational sessions to help enhance the meaning of NEXUS and its part in Zoroastrian communities. There will also be discussions focused on how EACH youth has the power to contribute to the structure of their community today and in the future.

Additionally, for those who would like to extend their stay and tour around Toronto and the surrounding areas, there will be some planned activities after the Congress. Many Zoroastrian families in the Toronto area have also signed up to host Zoroastrian youth for their post-Congress visit. For more information about the Youth Congress and the post-Congress activities, please visit www.nexus2003.com.

***SAVE THE DATE!!!! - ZAGNY PARTICIPATES IN THE REVLON RUN/WALK - MAY 3, 2003 (NEW YORK)**

Join your ZAGNY team for the 2nd Revlon Run/Walk for Women. This event is being held on Saturday, May 3rd. We will be walking 5 km, from Times Square to the East Meadow in Central Park. Last year, 25 ZAGNY members participated and raised over \$2000. Let's double our participation and the amount we raise this year!

This fun-filled, yet poignant, fundraising event benefits women's cancer research and we would like to have a big team come out and show their support for this great cause. We, the Zoroastrian community in general, have a high incidence rate of cancer, so what better way to show your care, support, and desire for a cure than to participate in this event. Both men and women are welcome.

The team captain for this year's ZAGNY team for the Revlon Run/Walk for Women is **Usheen Daver**. If you're interested in being a team member, please register at www.revlonrunwalk.com. On this website, first click "New York" and then click "Register Now" on the left-hand menu. Next, fill in your details. The ZAGNY team number is 1109, and the team name is "Zoroastrian Association of Greater New York". For more information, contact Usheen Daver at usheen.daver@dowjones.com.

NY CHAPTER OF WZCC HAS A SUCCESSFUL SEMINAR ON LONG TERM CARE INSURANCE

The WZCC (World Zarathushti Chamber of Commerce), which encourages and promotes the spirit of entrepreneurship amongst Zarathushtis, held its chapter meeting for the benefit of the ZAGNY and IZA congregations, on February 9th. This was the first WZCC seminar to be cosponsored by ZAGNY and IZA.

WZCC members **Edul Daver**, **Rusi Gandhi** and **Arnaz Maneckshana** felt that the subject would have wide appeal to the members of ZAGNY and IZA. They were absolutely correct; the meeting was attended by 35 individuals.

Arnaz Maneckshana is a Financial Consultant for AXA-Advisors, LLC. Her focus is on Executive Benefits, Individual Financial and Estate Planning. She met her goal of educating those in attendance on the fundamentals and considerations of Long Term Insurance, by not only providing all the essentials for a wonderful lunch, but also access to a perfect speaker cum educator.

The topic was presented by **Albert Shikiar**, President, AccessCare, Inc., which was founded after a personal tragedy in 1991. AccessCare provides information and other resources to help improve the understanding of, and access to, high-quality, long-term care for those who need assistance with daily living activities, regardless of their age.

As explained at the meeting, long-term care insurance provides benefits for those who need assistance with daily living activities caused by physical or mental ailments. Those who purchase this insurance do so to: (1) avoid being a burden on their family; (2) preserve their independence; (3) choose where they want to be taken care of; (4) avoid Medicare; and (5) protect their assets. This insurance helps individuals, of any age, maintain control over their life should they need assistance with their daily activities.

ZAGNY member, **Gul Sarkary**, said that she has attended a few information sessions on this type of insurance and that she found this one to provide her with the most information.

A special thank you to:

- WZCC for providing such a valuable topic;
- Arnaz Maneckshana and her friends for their successful coordination of the day; and
- Albert Shikiar for educating us on such a valuable and personal subject.

The Traditional Sofreh Haft Seen

- 1. **Samanu** a sweet pudding made from wheat germ, symbolizes wealth.
- 2. **Seer** (garlic) represents health.
- 3. **Seeb** (apple) represents beauty
- 4. **Somaq** special berries that represent the color of the sun rise,
- 5. **Serkeh** (vinegar) represents maturity and patience
- 6. **Sonbol** the hyacinth flower with its strong fragrance heralds the coming of spring
- 7. **Sekkeh** (coins) represent prosperity and wealth.

The New Sofreh Haft Sheen

This "modified" table has items beginning with the Farsi letter "sheen". The spirit behind it is the same as that of the traditional sofreh – to celebrate the bounties of Nature – but these items are more easily available in the West.

- 1. **Sherab** (wine)
- 2. **Sheer** (milk)
- 3. **Sherbet Naranj** (orange juice)
- 4. **Shagufeh** (buds)
- 5. **Shama** (candle)
- 6. **Shakar** (sugar)
- 7. **Shahed** (honey)

Ten thousand years ago, King Jamshed Peshdadiyan founded the festival of **Navrooz** (meaning "new day" in Persian) to celebrate the coming of spring after the cold, dark winter. If you recall that in those times Iran was a pastoral community, you can appreciate that this festival marks the triumph of good over evil with light literally defeating darkness as Navrooz falls on the Vernal Equinox, when night equals day, and subsequently the hours of daylight increase.

Today, Navrooz is celebrated the world over by people influenced by Iranian culture, notably the Zarathushtrians (Parsis), Shi'ite Muslims, Bahais, and Kurds. What makes Navrooz unique is that it is the only holiday celebrated by several religious communities.

Among the best-known customs of Navrooz is the "sofreh haft-seen" – or tablecloth with seven gifts of Nature with names beginning with the Farsi letter "seen" (see box). A week or so before the holiday, grains of wheat and lentils are placed in bowls to sprout into a mass of greenery, symbolizing growth. The table is also laden with fruit, nuts, sweets and snacks, candles, and the holy book (the Avesta for Zarathushtrians, the Quran for Muslims). A bowl with goldfish and a basket of colored eggs, indicating new life, are also placed on the table. Custom dictates that visitors who come to share the holiday with you should be sprinkled with fragrant rosewater and asked to look into a mirror to make a wish. Some say that this ritual symbolizes that you smell as sweet as roses and shine as bright as a mirror throughout the new year.

The Haft Seen table symbolizes the holiday spirit in much the same way the Christmas tree promotes a special festive mood and the table is kept replenished for thirteen days. To the ancient Zarathushtrians, the sixth day was called the **Novrooz Bozorg** or "greater Navrooz" as it was celebrated as the birthday of Asho Zarathushtra. The Fasli Zarathushtrians still celebrate this day, but it has lost its significance for the rest of us. Nowadays in Iran, the celebrations end on the thirteenth day with people going for a picnic by streams and rivers. The sprouted lentils are thrown into running water, carrying away the bad luck of the previous year.
