How to Get There

FROM INTERSTATE 80

Exit Interstate 80 at Exit 34B and travel on Route 15 North. Exit Route 15 at the Lake Forest exit. After the jughandle, make the second right onto Route 181 North. Go approximately 3 miles. Turn left onto Green Road, which will be right after the Little White Tavern on your left. Proceed about 1 – 1 ½ miles and then make a left onto Tomahawk Trail. The main Tomahawk Lake entrance will be on your left.

FROM THE GARDEN STATE PARKWAY

There are many ways of reaching Interstate 80 from the Garden State Parkway, some faster than others. Depending on where you are coming from, one such way is to take Exit 145 on the Garden State Parkway for Interstate 280 West toward the Oranges to Interstate 80 West. Once you reach Interstate 80 West, follow the directions above.

FRANKLIN, NJ

Take Route 23 South to Route 517, Munsonhurst Road towards Ogdensburg and Sparta. Route 517 will become Main Street in the town of Sparta, which will then become Route 181 South (Woodport Road) at the traffic light by the Sparta Post Office Mall. When you come to the traffic light by the entrance sign to Lake Mohawk, continue straight onto Route 605 south (Stanhope Road). Continue on Route 605 for about 3 miles past the Blessed Kateri Church on the left. Then, turn left onto Tomahawk Trail. The main Tomahawk Lake entrance will be about ½ mile on your right.

A ZOROASTRIAN WAY OF LIFE and THE SACRED FIRE: VEDIC & ZOROASTRIAN

On Sunday, May 4th, ZAGNY was honored to host **Ervad Bajan** and his wife **Bapsy** from Mumbai. Ervad Bajan delivered a talk on "A Zoroastrian Way of Life". The focal point of this talk and subsequent discussion was on how a Zoroastrian man and woman should live his/her daily life. Below are some key points from the talk:

- ② A Zoroastrian should rise up early each morning and pray for righteousness & work for righteousness to prevent all evil.
- ② A Zoroastrian should not be away from good thoughts, good words, or good deeds. A prayer is necessary as one exits his bed and also when one exits his home each morning.
- ② A Zoroastrian should do righteousness work in this material world.
- ② A Zoroastrian should lead an active life, a spiritual life, a simple life, and an honest life.
- ② A Zoroastrian should have character that consists of goodwill, integrity, and charity.

As a thank you, the Bajans were presented with a copy of The Good Life book and were given two tickets to a sightseeing tour of Manhattan.

Our sincere thanks to the Kanga's, Sheroo and Vispi, for hosting the Bajan family during their stay in the metropolitan New York area and to Ervad Pervez Patel and Rusi Gandhi for volunteering to provide transportation.

Also, on May 4th, **Danesh Modi**, a ZAGNY youth member, delivered an interesting talk titled "The Sacred Fire: Vedic & Zoroastrian". His discussion was on the important role of fire in the religious ceremonies of both Hindus and Zoroastrians alike. He described the rituals of both Hindus and Zoroastrians, and showed the differences and similarities between the implementation and basic philosophy of the sacred fire in each religion's practices.

Danesh graduated with honors from the University of Pennsylvania last spring, with degrees in psychology and Spanish. Currently he is working in a pharmacy and studying to go to medical school.

BROADWAY'S NEWEST STAR

Kayhan Irani is making her Broadway debut in, *Killing Us Softly*, a series of monologues she has written as a response to the demonization of the Arab, Muslim and South Asian communities in the American media as terrorists and enemies of the state. The project explores how the creation of slippery legislation, such as the PATRIOT Act, and the Special Registrations, imposed by the INS at the end of 2002 further isolate these communities.

Each monologue is told from a women's perspectives as it is they who are left behind to re-define their roles and make sense of the rapidly changing atmosphere in the absence of their fathers, brothers, husbands and friends.

She will be performing at the Chashama Theatre (135 W42nd Street between 6th & 7th Avenue) on Monday, June 23rd 8 p.m. Tickets are \$10, \$5 for students and seniors.

CELEBRATING THE LIFE OF PROFESSOR KAIKHOSROV D. IRANI

WRITTEN BY: AYSHA AND YASMIN GHADIALI

We are writing to all ZAGNY members on behalf of an exciting new project that will highlight and celebrate the accomplished life of our very own and very beloved **Professor Kaikhosrov D. Irani**. Currently, a documentary including a series of interviews with the Professor and a personal narrative life history has been filmed and edited. But, in order for us to truly honor ZAGNY's own Professor, post-production and distribution of these videos must be completed. We are therefore asking that all ZAGNY members be part of this effort and give generously to a project that will benefit audiences both young and old, Zoroastrian and non-Zoroastrian, about the life and times of our premier teacher and philosopher.

This project started as a way to honor Professor K. D. Irani by creating a forum for his words of wisdom to be captured on tape and made available to the public. Phase I, which included the filming and interviews was made possible through the estate of the Late Merhraban Farhangi, and was completed in May 1998, in Vancouver. Phase II, is currently in progress where the tapes are being edited in Los Angeles. Phase III will be the post-production and duplication costs, for which ZAGNY has decided to help with a contribution and contributions from its members.

The final program will be made into four VHS (depending on the edited version) or 2 DVDs. It starts with a discussion with Professor K. D. Irani, The Person—his life experiences, childhood, his parents, his experiences with Einstein and others. The next section will be a discussion on Zoroastrianism—the basics of the religion, and a more advanced segment. The final section will be the Professor's original contribution to philosophy, and what he calls the "Domains of Belief." The final version will be given to Professor Irani for the final approval before copies are made. There will also be a presentation in New York to honor Professor Irani when the project is launched to the public.

It is our hope that this project will produce an excellent resource not only for Zarathushtis, but also for other interested markets such as his students, University departments of Philosophy and Theology, and libraries. The editing will be completed by mid-June, which leaves the post-production and duplication to follow in the next two months. **In order for this project to run successfully we need ZAGNY members to take part and donate generously!**

- All sponsors who contribute \$100 or more will receive a complementary set of VHS or DVD of the project.
- All sponsors who contribute \$1,000 or more will be acknowledged at the end of the program along with the Late Merhraban Farhangi, ZSBC, and ZAGNY.

It is now time for us to give back to the man who has given us all so much. It is time to honor a person who has enriched the minds and the social well being of our community by challenging us to truly think about our spirituality, our lives as Zarathushtis, and as contributors to the human race.

Please make checks payable to ZAGNY, with a memo KDI Video Project, and mail to:

ANOTHER SUCCESSFUL WZCC SEMINAR NEW BUSINESS START UP

The NY Chapter of the WZCC sponsored the workshop **New Business Start Up** on May 18th. At this well-attended workshop, four successful entrepreneurs made some very interesting presentations, as described below.

Mr. Ruyintan Mehta, President of Premium Moulding, explained the importance of formulating and developing a well-researched business plan. Focus on your SWOT (strengths, weaknesses, opportunities and threats), Ruyintan said.

Mr. Framroze Patel, CPA and CVA, elaborated on the cash flow analysis of a business plan. He emphasized that a simple yet credible, factual and accurate plan is bound to impress venture capitalists and evaluators. Framroze also remarked that no other country makes starting a business as easy as the United States.

Mr. Michael Rowland, attorney at law, addressed some legal issues, including liability and statutory aspects. He suggested that seeking advice from a team of professionals could facilitate the successful implementation of a plan.

Lastly, **Dr. German Bustos**, President of Bustos Marketing Communications, shared time tested sales and marketing techniques. His trick is finding that one unique quality which makes you different from the competitors. Express yourself through your work and you will be happy.

Thanks go to the above speakers who humbly shared their experiences, knowledge, and time, and to **Rusi Gandhi**, Chapter Chair, for organizing such a great event. Attendees are sure to benefit from this workshop both professionally and personally.

In addition to receiving extremely positive feedback via the evaluation forms (overall rating 95% satisfaction) here are some of the comments from the attendees:

Manin Kushesh, IZA member, "very informative and productive workshop" and **Fali Shroff**, ZAGNY member, "time well spent."

Stay tuned for further details on upcoming meetings.

September 14, 2003: SBA Loans to finance small businesses. Speaker to be announced.

November 16, 2003: Health Care Issues in the Business Environment. Speaker: Dr. Yasmin Ghadiali.

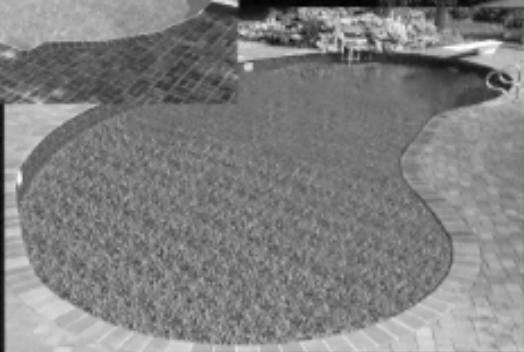

WORLD ZARATHUSHTI CHAMBER OF COMMERCE BUSINESS ADVISORY BOARD

The first Business Advisory Board (BAB) of the World Zarathushti Chamber of Commerce (WZCC) has been established in Chicago by the Chicago Chapter of the WZCC, reports **Hoshang Karani**, Chair of the Chicago Chapter. Inspired by **Homi Davier**, the idea of establishing the BAB was floated at the last AGM of the WZCC. All Chapters of the WZCC were urged to establish a BAB in their respective Chapters. The Chicago Chapter embraced the idea and worked on the creation of the BAB at several of its meetings with inputs from all of its members. The BAB in Chicago is now fully functional and ready to undertake its first challenge, reports its manager, **Yaz Bilimoria**. Yaz who has worked with WZCC in the past to prepare an outline of a "Business Plan" for use by WZCC members for advertising new "Business Opportunities" advises that the BAB is staffed with several experienced business professionals who will be available for consultation to advise persons interested in organizing new business or to advise existing businesses looking for specific help and guidance. Yaz himself is a business professional operating two Quiznos stores and is well on the way to owning a third. Since this BAB is the first of its kind with no other such service available in the community, to the extent possible, the Chicago BAB will entertain requests from outside Chicago as well. If you would like assistance, please contact Yaz Bilimoria at yaz@bilimoria.com.
