3000TH ANNIVERSARY OF ZOROASTRIAN CULTURE - CELEBRATIONS BY THE ZOROASTRIAN COMMUNITY OF THE METROPOLITAN NEW YORK AREA

The Executive Board of the United Nation's Economic and Social Council (UNESCO) at its 161st and 162nd sessions approved 47 anniversaries to be celebrated in the years 2002-2003. The oldest anniversary to be celebrated in the year 2003 is the 3000th anniversary of ZOROASTRIAN CULTURE, proposed by the State of Tajikistan.

Tajikistan is planning its celebrations during the period September to November 2003, the details of which are to be finalized soon. We should try to attend the celebrations in Tajikistan and show our solidarity and support for their efforts.

FEZANA has decided to join and support Tajikistan's unique efforts by coordinating celebration activities of the North American member associations. Firdosh Mehta, FEZANA President, has appointed a sub-committee to assist member associations in their efforts to organize events to celebrate the anniversary. Please visit www.fezana.org to view the letter addressed by the sub-committee to the North American Zoroastrian community.

Some of the activities suggested by the sub-committee are:

- Encourage public and school libraries in your area to have a book display on Zoroastrian religion, art, or showcasing famous Zoroastrians. If the library does not have enough books, collect books from the local Zoroastrian community and offer them to the library to display. If you have any extra copies with you, donate them to the public library.
- Organize lecture series or seminars at an institution of higher learning near you that highlights the Zoroastrian influence on Western or non-Western cultures. This could be done through university departments of religion, Middle Eastern, or South Asian studies. This is particularly viable at universities attended by Zoroastrian students.
- Organize events (film festivals, talks, radio talk shows) that celebrate aspects of Zoroastrian culture and history in an appropriate manner.
- Organize public readings of the work of Zoroastrian authors or talks by other experts. It

may be possible to have the authors themselves to come in and read their work.

- Send press releases publicizing your events to the press; or suggest story ideas to journalists.
- Mention the events at interfaith meetings; ask organizations to include a paragraph on the celebrations in their forthcoming newsletters and programs.
- Associations around the world could organize a special event for the Ayatheram Ghambar in October 2003, inviting community members and local politicians to attend.
- Get a proclamation from the Mayor, Governor, Senator, or other public official in your area commemorating the anniversary.

To coordinate the various aspects of this celebration in the Metropolitan New York area, a committee of the following individuals has been formed:

Mehru Cama	mlcama@aaahawk.com
Tamina Davar	taminadavar@yahoo.com
Homi Gandhi, Co-Chair	homi_gandhi@usa.net
Aysha Ghadiali	aghad@hotmail.com
Susan Karani	karani_suzie@yahoo.com
Shirin Kiamanesh	skiamane@anchor-computer.com
Gev Nentin, Co-Chair	Gev.Nentin@chase.com
Framroze Patel	goolbai@comcast.net
Prof. Kaikhosrov Irani, Advisor	

The Committee's intention is to organize a main function in the New York area to showcase the Zoroastrian Culture and our communities. Details are being developed by the committee and will be announced as soon as possible. If you have any specific suggestion or special expertise or connections that you can offer to enrich this celebration, please feel free to contact any of the members of this Committee.

Additionally, sub-committees of three or four persons will be formed in five or six geographical areas around New York City to carry out the above activities locally.

This is a unique opportunity for the community and we should all contribute in every way we can. The committee looks forward to working with all of you.

This newsletter will be made public on the ZAGNY web-site. If you do not want your personal information to appear on the website, please do not submit it to the newsletter for publication.

HIGHLIGHTS OF THE 2003 FEZANA ANNUAL GENERAL MEETING

The 2003 FEZANA Annual General Meeting was held in Boston, Massachusetts on May 24-25, 2003. For your reference we have provided the following highlights:

ELECTION RESULTS

Vice President - **Mahrukh Motafram**
Secretary - **Rita Engineer**, unopposed

Sincere thanks were given to our outgoing secretary, Arnavaz Sethna, for her dedication and hard work over the past four years.

FINANCIAL REPORT – 2002

Accounts were presented and passed. The Funds and Investment ad hoc committee is to draw up investment policies for FEZANA. Due to active participation from our Standing and Ad Hoc committees, quite a few requests for funds were discussed.

REPORTS

Member Associations gave brief reports on their various community activities. Standing Committee and Ad Hoc committee Chairs presented updates on their projects.

RETIREMENT COMMUNITY PROJECT

Interesting project! Yasmin Kevala and Celest Kheradi gave a presentation on the Sun City Retirement community in Sun City, Florida.

AGM – 2004 IN SUNNY FLORIDA!

In order for members to see the Sun City Retirement community, the next AGM will be held in Tampa, FL. One afternoon, members can go and check out the site, which is 1 hour away from Tampa.

RESTORATION OF HISTORICAL MANUSCRIPTS

Malcolm Deboo, Information Officer & Librarian, Zoroastrian Trust Funds of Europe, came all the way from London to present an old manuscript that has been brought from Navsari for restoration. He had a slide presentation that showed clearly the deterioration of this particular manuscript and also another two that are in need of repair/restoration. Later, we were allowed to view the manuscript closely. Malcolm handled it with tissues, rather than his bare hands, as the oil from his hands would be another deteriorating agent. Fascinating piece of work!!!

WORLD BODY

The FEZANA World Body Working Group presented their report. Based on the outcome of the meeting in Mumbai in January 2003 and communication from Rustom Dubash of the WZO, the Working Group presented a model for One World Body. It consists of one umbrella entity with two independent arms. One arm would truly represent individuals and the other federations.

The Working Group informed the members present that they will submit their final report, which would include draft constitutions and by laws for the three entities, by June 30, 2003. The Working Group recommended that once it had filed its report further action be undertaken by the elected leadership of the FEZANA, FPZAI, WZO, ZTFE, etc. The Working Group was thanked by FEZANA for their hard work and effort to bring about the progress that has been achieved so far. The Working Group report was well received. The presentation is on the FEZANA Web.

NORTH AMERICAN YOUTH CONGRESS

Afreed Mistry, Youth Congress Chair gave a progress report on the upcoming Youth Congress to be held in Toronto from July 24-27, 2003. The youth have done an outstanding job bringing this all together. The "Nexus 2003" Website for the Congress is well done, and so far approximately 250 individuals have registered to attend.

CELEBRATING THE LIFE OF PROFESSOR KAIKHOSROV D. IRANI

WRITTEN BY: AYSHA AND YASMIN GHADIALI

We are writing to all ZAGNY members on behalf of an exciting new project that will highlight and celebrate the accomplished life of our very own and very beloved **Professor Kaikhosrov D. Irani**. Currently, a documentary including a series of interviews with the Professor and a personal narrative life history has been filmed and edited. But, in order for us to truly honor ZAGNY's own Professor, post-production and distribution of these videos must be completed. We are therefore asking that all ZAGNY members be part of this effort and give generously to a project that will benefit audiences both young and old, Zoroastrian and non-Zoroastrian, about the life and times of our premier teacher and philosopher.

This project started as a way to honor Professor K. D. Irani, by creating a forum for his words of wisdom to be captured on tape and made available to the public. Phase I, which included the filming and interviews, was made possible through the estate of the Late Merhraban Farhangi and was completed in May 1998, in Vancouver. Phase II, which is the editing of the tapes, is currently in progress in Los Angeles. Phase III will be the post-production and duplication stage, for which ZAGNY has decided to help with a contribution and contributions from its members to help defray the costs.

The final program will be made into four VHS (depending on the edited version) or 2 DVDs. It starts with a discussion with Professor K. D. Irani — his life experiences, childhood, his parents, his experiences with Einstein and others. The next segment will be a discussion on Zoroastrianism — the basics of the religion, and a more advanced segment. The final segment will be the Professor's original contribution to philosophy, and what he calls the "Domains of Belief." The final version will be given to Professor Irani for his approval before copies are made. There will also be a presentation in New York to honor Professor Irani when the project is launched to the public.

It is our hope that this project will produce an excellent resource not only for Zarathushtis, but also for other interested markets such as his students, university departments of philosophy and theology, and libraries. The editing will be completed by mid-June, which leaves the post-production and duplication to follow in the next two months. **In order for this project to run successfully we need ZAGNY members to take part and donate generously!**

- All sponsors who contribute \$100 or more will receive a complementary set of VHS or DVD of the project.
- All sponsors who contribute \$1,000 or more will be acknowledged at the end of the program along with the Late Merhraban Farhangi, ZSBC, and ZAGNY.

It is now time for us to give back to the man who has given us all so much. It is time to honor a person who has enriched the minds and the social well being of our community by challenging us to truly think about our spirituality, our lives as Zarathushtis, and as contributors to the human race.

Please make checks payable to ZAGNY, with a memo KDI Video Project, and mail to:
